*The best preparation for life*

# Introduction from the Head Teacher

It gives me the greatest pleasure to give you an insight to Finborough Life.

I am extremely pleased and proud to be part of this wonderful school. Providing the 'best preparation for life' is something we take very seriously. Finborough is a learning family in every sense of the words. Each of our pupils are known really well, valued and cherished for their individual abilities and attributes.

From day one in our outstanding Nursery through to Sixth Form we do not relent in our care and unfettered ambition for every child. It is so special to be able to educate children from two to eighteen years of age, seeing them grow and emerge as young adults ready for the world.

Excellent teachers enjoy an exceptional, professionally rewarding experience. Comparatively small classes of beautifully behaved and motivated pupils supported by outstanding facilities and technology enables consistently excellent teaching. Our comprehensive, professional learning programme ensures teachers genuinely are at the top of their game and continue to develop their skills.

Our mantra- 'better never stops'- is exemplified in our approach to Assessment for Learning. We use percentages to chart academic achievement and progress across the phases, continually compared to bespoke targets set for every child. However, most importantly, positive feedback and praise are coupled with clear identification of what can be done to improve.

Development of this growth mindset in our pupils is the essential contributing factor in their tremendous success and why children of all abilities make great progress at Finborough.

Kind regards

Steven T. Clark
