

# Finborough School Learning Equipment List (Prep 3 – Year 13)

It is essential that our pupils are equipped with all they need to produce the best possible learning work in outstanding exercise books they are proud of.

The following **recommended** list has associated hyperlinks to help you make the best choices. The hyperlinks are to Amazon, however the items are widely available in all good stationery outlets. As always we ask you to name label everything including their pencil case.

**Recommended Pens:** Handwriting and presentation of work is very important and we recommend either a fountain pen that uses cartridges or a handwriting pen, blue ink is preferred. The following links are to excellent pens that will really support good handwriting. Two pens that have been proven to support children who struggle with handwriting are also included.

**Bags** (Available for purchase from the school)

Navy book bag (nursery to prep 3)

Navy backpack for school books (prep 4 to year 9)

**Fountain Pens**
