

PUPIL ACCESS TO RISKY AREAS OF THE SCHOOL BUILDINGS AND GROUNDS (AREAS WHICH ARE OUT OF BOUNDS)

In general, the pupils are able to make use of most of the school grounds during daylight hours, so long as they act reasonably.

The following areas are out of bounds:

The Woods around the School Grounds.

The School Catering Delivery Area.

The rear Car Park and area around the skips.

The Sports Field and Sports Hall unless with prior permission.

Any areas not visible from the boarding house or main school building. If in doubt boarders should ask... Saying "I didn't know", will not suffice
